ATTRACTIVE SECURITY SOLUTIONS

Don't order a security door...
until you read this!

At Stan Bond, we understand that protecting your family is your highest priority.

When you are shopping around for security screens and bars, it is hard to tell which company provides the most solid, secure product that represents value for money. Stan Bond has been protecting Australian families for over 60 years with our extensive range of security doors, screens and window bars. With a huge variety of colours and styles available, our products not only offer protection against intruders, but also provide an attractive solution to securing your home. We can individually design and manufacture your new security doors and window bars to suit the style and decor of your house.

- ✓ Prompt, courteous and professional service
- ✓ Free appraisals in your home at a time convenient to you
- ✓ Same day response for break-ins
- ✓ Operating in the security industry since 1950
- ✓ Licensed member of Security Agents Institute

STAN BOND'S LIFETIME GUARANTEE

Stan Bond offers an amazing rock-solid lifetime home owner's guarantee. If a burglar ever breaks into your home through a locked Stan Bond security door or window screen, we'll replace it completely **free of charge**.

No ifs... no buts... no time limits!

60 years experience...

...built to Australian Standards and Quality Assured

Stan Bond's manufacturing systems and our products are quality assured to Bureau Veritas standards. We design and manufacture our own products and guarantee that every product is made with only the very best Australian steel and aluminium.
